

**NON  
HAZARDOUS**Not Hazardous According To Criteria  
of Worksafe Australia**COMPANY DETAILS**

Supplier Name:	Ultimate Products
ACN:	085 640 080
Head Office Address:	13 Olive Grove, KEYSBOROUGH VIC 3173
Head Office Phone:	+61 3 9798 3544
Head Office Fax:	+61 3 9798 3655

**PRODUCT DETAILS**

Product Name:	<b>Ferti PAM</b>
Other Name:	Liquid Polyacryamide, Humic Acid
Manufacturer's Product Codes:	N/A
UN Number:	None allocated
Hazchem Code:	None allocated
Dangerous Goods Class (including subsidiary risk):	None allocated
Poison Schedule:	Not a scheduled poison
Use:	Soil penetration and soil conditioner

**PHYSICAL DESCRIPTION / PROPERTIES**

Appearance:	Brown liquid
pH:	8
Melting Point:	N/A
Vapour Pressure (pascals or mm Hg, @ 20°C):	N/A
Density:	N/A
Flashpoint (°C):	N/A
Flammability Limits (%):	Not Known
Solubility in Water:	Miscible

**PRODUCT DETAILS****INGREDIENTS**

Water  
Polyacryamide  
Potassium Humate

**HEALTH HAZARD INFORMATION**

**HEALTH EFFECTS**

ACUTE

Swallowed:	Low toxicity product
Eye:	May cause mild eye irritation, which should cease once product removed.
Skin:	Not a skin irritant or sensitiser.
Inhaled:	Not an inhalation hazard under normal conditions of use. However, inhalation of mists or sprays may cause irritation to the respiratory tract.
Chronic:	There may be a slight skin irritation with prolonged contact or repeated exposure.

**FIRST AID**

Swallowed:	Do not make casually vomit. If unconscious, do not give anything by mouth. Checked for breathing and pulse, if present, place in recovery position and obtain medical attention. If conscious rinse out the mouth with water. Give 400 mls of water to drink immediately and repeated drinks of water at a rate of a cupful every ten minutes. Obtain medical attention immediately.
Eye:	Immediately irrigate with water or neutral saline solution for 15 minutes. If irritation persisting seek medical attention.
Skin:	Wash contaminated area with soap and water. Contaminated clothing should be washed before reuse.
Inhaled:	Remove affected person to fresh air. Clear any blocked airways. If recovery is delayed, seek medical advice.
First Aid Facilities:	Water or neutral saline solution for eye wash.
<b>ADVICE TO DOCTOR:</b>	Treatment would be supportive, as there is no specific antidote.

**PRECAUTIONS FOR USE**

<b>Exposure Standards:</b>	None allocated to this product..
<b>Engineering Controls:</b>	Ensure adequate ventilation, especially in confined areas.
<b>Personal Protection:</b>	
Hand Protection:	Rubber or plastic gloves are recommended
Eye Protection:	Goggles
Body Protection:	Lightweight protective clothing

**SAFE HANDLING INFORMATION**

<b>Storage and Handling:</b>	Wash hands after use. Remove contaminated clothing and launder before reuse. No special technical measures are required. Avoid extremes of temperatures, do not freeze.
<b>Spills and Disposal:</b>	Dam with earth or sand and pump bulk of spill into drums for disposal. Residual liquid should be absorbed onto inert material and then shovelled into suitable containers for disposal. Final residues may be hosed away with plenty of water. Spilled material is very slippery and should be cleaned immediately.
<b>Fire / Explosion Hazard:</b>	Foam, dry powder or carbon dioxide or water spray..
